Assisted by a dedicated group of youth volunteers.

Additional Information

As far as possible, we will split the groups into Bumblebees, Otters and Wolves to give them the chance to be challenged age-appropriately. However, should we have days that aren't as full, we will merge the groups together and they will be working as a team to complete the activities/challenges set.

Activities are all run by qualified and experienced Instructors

Instructors are all members of Disclosure Scotland's P.V.G. (Protecting Vulnerable Groups) Scheme

All safety equipment is provided.

Most activities take place outdoors, weather permitting.

Timings

Full wraparound **8:30 drop off** and **4:30 pick up**.

Standard programme only days run from 9:30 drop off to 3:30 pick-up.

Responsibilities

We accept responsibility for your children throughout their time with us as long as we have an Activities Consent Form signed by the participant's legal parent or guardian which will alert us to any health issues, any particular support needs and that we have emergency contact details. Please complete the relevant form accessed on our website and bring with you or complete this on the day. N.B. We can't accept a young person without a form.

Inclement Weather

We will generally stay out in all weathers, however we do monitor the participants closely and should the need arise we can easily move indoors. Please make sure children have outdoor footwear and full waterproofs.

10 years since Holiday Programme!

Since this year is 10 years since we originally started the holiday programme, we are doing everything we can to make it bigger and better than it has been before!
