

Become a Partner

What is a Partner?

As a Partner of Wiston Lodge, you will play a key role in supporting our organisation to grow.

For 15 years, Wiston Lodge has been making a lasting impact on the lives of children, vulnerable young adults and people facing adversity or disadvantage.

To achieve these transformations, we need the support of organisations who can help us to bring ambitious plans into reality.

Why support Wiston Lodge?

Becoming a Partner means you'll help children and young people to access activities that develop their resilience, confidence and sense of belonging.

By getting involved with our work, Partners will help to improve life chances and opportunities for many people.

We work with visitors from all over Scotland and the UK. Partners feature on our website, social media and in news articles, showing those near and far how they support charitable work.

Associate

Schools, universities and charities can support us with work on grounds and buildings development, and we support them to come here, for example through endorsing their funding bids for residential visits.

Corporate

Employers can sponsor or support us through regular fundraising events and gain preferred booking dates for their own events, plus the company or organisation's logo will be displayed on our website.

To show our thanks

All Partners will receive an invite to our Friends and Partners Day, discount on bookings and discount off merchandise.

We will also feature your support in our news and social media, helping to raise your profile in your community and further afield.

Ways you can be part of something amazing

- Sponsor parts of our grounds or equipment, helping us to meet the cost of improvements
- Make a company donation towards our fund-raising for dedicated projects
- Book for a day or residential visit and allocate some time to work with our team on specific projects across our estate
- Select us as your charity when your organisation takes part in fundraising events
- Arrange your own charity event, or support employees to be part of one
- Set up a payroll giving scheme at www.gov.uk/payroll-giving
- Use our branded stationery and other merchandise to spread the word about us
