Overnight Experience 2-Night

Nestled within 53 acres of stunning woodlands, our main house offers comfortable accommodation for up to 46 guests, while our three cosy cabins provide an additional 18 beds. Those who prefer the great outdoors can enjoy camping on our camp field. We take pride in catering to all dietary needs, ensuring that every meal is freshly made and delicious.

Our development workers are fully qualified to safely instruct all on-site activities, as well as being trained in personal development, using each experience to inspire growth and learning in young people—all while ensuring they have a blast!

Why choose Wiston Lodge?

Our activities are designed to directly support the core skills outlined in the Curriculum for Excellence, making learning an engaging and hands-on experience. Through outdoor instruction, children gain self-knowledge and confidence as they accomplish new challenges.

We offer tailored programmes for children, young people, and adults, focusing on four key areas: outdoor adventure, nature connections, creative arts, and the inspiring Path of the Little People. Each activity is crafted to help participants achieve meaningful learning outcomes while enjoying every moment of the journey.

- Increased confidence and self-esteem
- Deeper connection to self, others and the environment
- Understanding of own resilience
- Realisation of achievement
- Gain new skills and friends
- Increased wellbeing - physical and mental
